Hardware/Software

[Change flashlight intensity in Control Center](#)

No more blinding lights. In iOS 10, you can change the intensity of the flashlight: Pick between low, medium, and high. Simply pull up the Control Center and use 3D Touch to tap on the flashlight icon.

Hints/Tips

[Unsubscribe link at the top in Mail](#)

Apple didn't completely revamp Mail in iOS 10, but it did include a much-needed feature. Now, every time you get an email from a mailing list, you

won't have to scroll all the way down to tap "unsubscribe." Mail will automatically generate an unsubscribe link at the very top.
